

Job Title: Data Manager – LC4ISR Program

Company Overview:

KWESST develops and delivers next-generation military and public safety technology for military and first responder customers. The company is proudly Canadian and provides Dismounted/Mounted Domain Expertise in Command-and-Control software development, integration, and support services.

Job Description:

KWESST is seeking a highly skilled and experienced Data Manager to join our LC4ISR program. This role focuses on the tracking and archiving of software data items as part of an Obsolescence Management process.

Responsibilities:

- Tracking the current status of software items in development and in use
- Tracking of software items being decommissioned
- Archiving software items being discontinued from further development
- Linking in with the Build Books team to archive latest software builds
- Manage ITAR requirements applicable to specific software items
- Maintaining data filing processes & registries
- Maintaining any data exchanges (i.e. secure FTP) required to move the software from system to system
- Establish Data Management processes for software moving in and out of baseline images
- Managing the software Configuration Item (CI) environment
- Mentoring and guide team members, sharing best practices and expertise in software data management methodologies.

Required Qualifications:

- Must possess active SECRET security clearance
- Experience in data management and configuration management
- Certificate in Information Management, or a related field, or equivalent experience
- Understanding of Controlled Goods Program and ITAR processes is desired
- Strong understanding of advanced software development methodologies and best practices.
- Excellent problem-solving skills and attention to detail.

- Exceptional oral and written communication skills.

How to Apply:

If you have a strong passion for product quality and are eager to join the dynamic team at KWESST, we invite you to submit your resume. Please make sure to emphasize your pertinent experience and any certifications you hold.

KWESST is an equal opportunity employer and is committed to providing equal employment opportunities to all qualified individuals regardless of race, color, religion, sex, gender identity, sexual orientation, marital status, national origin, age, disability, or any other protected status under applicable law. Our hiring decisions are based on qualifications, merit, and business needs. In every step of the interview procedure, KWESST is committed to providing accommodations.
